Welcome to Term 2!
We hope everyone had a lovely break over the Easter holidays. Year 4 students and teachers are ready for a fun & productive term ahead.

Literacy
Reading - Year 4 students are encouraged to participate in the Premiers Reading Challenge. Students will complete an oral book report to their class in the coming weeks. Guided reading groups in the classroom will continue as well as silent reading.

Writing & Grammar - In Year 4 we will be focusing on proof reading, in particular speech marks and other forms of punctuation. We will also be practising exciting introductions to stories. Through Australian literature we will look at famous novels both past and present.

Spelling – Students will continue to focus on individual spelling words each week as well as words associated with our Units of Inquiry.

Numeracy
Number and Algebra –
*Automatic response of numbers up to 30 using all four operations
*Vertical subtraction (with regrouping)
*Multiplication and division of numbers to 999 by single and multiple digits
*Planning and using different methods to solve worded problems using all four processes

Measurement and Geometry –
*Students will focus on timelines through their Unit of Inquiry on Australia

Units of Inquiry
HOW WE ORGANISE OURSELVES
COMMUNITIES EvOLVE IN RESPONSE TO MANY FACTORS
Lines of Inquiry
- Specific needs of individuals in order to survive.
- Specific skills individuals need to survive.
- Differences between needs and wants.
- The roles of individuals in a community

WHERE WE ARE IN PLACE AND TIME
EXPLORATION LEADS TO DISCOVERIES AND OPPORTUNITIES
Lines of inquiry
- Sequences and stages of human movement to new countries
- Reasons for and consequences of exploration
- New opportunities, issues and problems that arise
