Welcome to Term 3!
Year 4’s have had a wonderful start to Term 3! Students have enjoyed the Drama Toolbox Incursion in Week 1 and are looking forward to the Concert and Athletics Carnival!

Literacy
In Term 3, Year 4 students will focus on:
- Reading and Comprehension - reading factual information and interpreting the meaning through the study of our Inquiry Unit
- Punctuation – continued emphasis on use of full stops, capital letters, commas, question marks & speech marks
- Oral Reading – we will be encouraging the use of expression and the use of punctuation to guide fluency
- Project research and presentation on a Body System or Organ
- Students will write different text types including poetry and a biography

Numeracy
In Term 3 students will focus on telling the Time and use am and pm notation to solve time problems. They will look at 12 and 24 hour time.

Students will be investigating Mass and Capacity. They will study various aspects of Length, Perimeter and Area and use this knowledge to solve problems.

Students will also begin to explore fractions and decimals.

Units of Inquiry: WHO WE ARE
THE BODY IS A MACHINE MADE UP OF DIFFERENT SYSTEMS THAT NEED TO BE MAINTAINED IN ORDER TO STAY HEALTHY

Lines of Inquiry
- The body systems and their components
- The way they work together
- The way we keep ourselves healthy
