Welcome to Term 3!
The school concert Fabulous Film is fast approaching! The Year Ones are busy rehearsing their performances for Under the Sea and Bob the Builder. Just a reminder to check the costume requirements for your child so that they are all ready for the concert on 2nd August.

On Friday 19th of August the Year Ones will have an incursion by The Travelling Kitchen where they will make yummy Vietnamese rice-paper rolls to look at the process that food goes through as part of our How We Organise Ourselves Unit of Inquiry.

Literacy
Reading
Focus on developing expression and comprehension through Guided Reading, Author Studies and Big Books.

Writing
Diary Writing using the Thinking Hats, Narrative, Recount, Procedural, Reports.

Grammar:
Capital letter, full stops, question marks, talking marks, commas, adjectives, verbs.

Spelling
Practice weekly spelling words, consisting of three words from the blend of the week and two individual words. Children are encouraged to continue revising the Magic 100 words which are found on Compass.

Numeracy
Number and Algebra
Addition and Subtraction using larger numbers, doubling and halving numbers, skip counting, place value.

Measurement and Geometry
Capacity (time, hours, days, weeks), calendars (months, years), length—measuring length using informal (icypole sticks, unifix) and formal units (ruler).

Statistics and Probability
Chance words such as likely, unlikely, certain and impossible, graphing (collecting information using tallies), creating pictographs and bar graphs, interpreting information from graphs.

Units of Inquiry
WHERE WE ARE IN PLACE AND TIME
TRANSPORT CHANGES OVER TIME
Lines of Inquiry
- The different forms of transport
- The way transport affects our way of life
- The way transport has changed over time

HOW WE ORGANISE OURSELVES
FOOD GOES THROUGH MANY STAGES OF PRODUCTION BEFORE REACHING US
Concepts: function, change
Lines of Inquiry
- Differences between processed and unprocessed food
- The stages food products go through from origin to consumption
- Resources and their management
