Welcome to Term 3

We would like to extend a very warm welcome to a new member of Year 3, Kayen. It has been a busy start to the term with concert practice. We are very proud of all the students, they have done a fantastic job with learning the Year 3 items! We look forward to a wonderful night!

Literacy

This Term, Year 3 students will continue to develop their understanding of various text types and poetry. They will study Procedural Text, Information Reports, Narrative and Recount. The students will also study different types of poetry. Literacy Rotations will cover editing skills, reading & comprehension skills and spelling strategies.

During handwriting sessions the focus will continue to be on joined writing and letter formation. The students will continue to cover various letter blends during wordstudy/spelling sessions.

Numeracy

During Term 3 the students will continue to focus on all areas of number, in particular focusing on the multiplication tables.

In differentiated Maths groups students will explore all areas of measurement and geometry. They will focus on the units of measurement, length, perimeter, area, mass, time and shape.

Unit of Inquiry: HOW THE WORLD WORKS

HUMANS ARE DRIVEN TO IMAGINE CONSTRUCT AND INVENT

Lines of Inquiry:

- Reasons for inventing things
- The design process
- Impact of new inventions
