5 February 2015

Class Representative

Welcome to the 2015 school year! We hope you have had a relaxing break and are ready for a wonderful year at Beaumaris North Primary School.

As many of you may know, the role of Class Representative is an important one. Class Representatives assist the classroom teacher in a variety of ways, and also organise class social events throughout the year.

Class Representatives are not expected to do all of the support work in the classroom or at school functions, although any input is gratefully received. It is a rewarding role and a great way to meet other parents.

Each term we hold a Class Representative meeting to draw attention to upcoming events, discuss general issues and share ideas.

If this is a role you would like to volunteer for, please return the form below to your classroom teacher by 11 February. Your classroom teacher will then select two parents to undertake this role for the year.

I would like to volunteer for the role of Class Representative Co-ordinator.
