KidsMatter Day

Monday 2nd February, 2015

Dear Parents,

On Friday 6th February, Beaumaris North Primary School will be holding a whole school ‘KidsMatter Day’.

This day is a great opportunity for our school community to celebrate our recent accreditation and recognition as a KidsMatter School, a journey which began in 2008.

On KidsMatter Day all students will participate in well-being activities. Students are encouraged to wear a touch of “yellow” or “pink” to school on this day that represents the KidsMatter colours. We encourage the students to bring an item from home to share in their class which demonstrates an achievement or skill they are proud of.

Beaumaris North Primary School is part of the KidsMatter Program, which focuses on providing a mental health and wellbeing framework for primary schools and is proven to make a positive difference to the lives of Australian children. KidsMatter Primary provides the proven methods, tools and support to help schools work with parents and carers, health services and the wider community, to nurture happy, balanced kids.

We encourage you to attend our KidsMatter assembly which will be held at 3.10pm. At the assembly students from each year level will have the opportunity to share some of the wonderful activities they have participated in throughout the day and share their knowledge.

Kind regards,

The KidsMatter Team
