WHO WE ARE

CENTRAL IDEA: Relationships may be influenced by different perspectives, rights and responsibilities.

**Lines of Inquiry...**
- The meaning of perspective, rights and responsibilities.
- The way interactions and perspective contribute to harmonious communities.
- Qualities students value in friends.
- The consequences of decisions.

**Concepts**
- Perspective & Responsibility

**Attitudes**
- Tolerance & Respect

**Action**
Action in the PYP is initiated independently by the student as a result of the learning process. Action may be bringing a book or artefact related to the inquiry to school, or student initiated drawings/posters/research. We celebrate our students’ ACTION every day in our classrooms. If you see your children taking independent action at home encourage them to share their action with their class.

**Skills**
- Social: Being a productive team member, accepting responsibility
- Communication: Listening & Speaking
- Thinking: Associating rights with responsibilities, identifying differing perspectives. Self-Management: Effective use of time, actively following the Essential Agreement.
