CENTRAL IDEA: The decisions people make influence their relationships with each other.

**Lines of Inquiry...**

- The things we need to learn together.

- The way our interactions contribute to a harmonious classroom.

- The purpose and responsibility of specific roles in the school.

**Concepts**

- Responsibility
- Perspective

**Attitudes**

- Empathy
- Respect
- Tolerance

**Action**

Action in the PYP is initiated independently by the student as a result of the learning process. Action may be bringing a book or artefact related to the inquiry to school, or student initiated drawings/posters/research. We celebrate our students’ ACTION every day in our classrooms. If you see your children taking independent action at home encourage them to share their action with their class.

**Skills**

Social Skills: respecting others, getting along, caring, resolving conflict and decision making.

During this unit the students will be participating in a welfare incursion “I Can Dance”. Through music and dance this incursion aims to promote and develop confidence and positive attitudes. The incursion will be held in the Multi-Purpose Room on Friday, 20th February.
