UNIT OF INQUIRY: How We Express Ourselves

CENTRAL IDEA:
Communication is influenced by feelings and emotions.

Lines of Inquiry
- The ways in which we share our ideas and feelings
- Communicating and exploring our creativity
- Creative ways to explore our emotions

Action
Action in the PYP is initiated independently by the student as a result of the learning process. Action may be bringing a book or artefact related to the inquiry to school, or student initiated drawings/posters/research. We celebrate our students’ ACTION every day in our classrooms. If you see your children taking independent action at home encourage them to share their action with their class.

During this Unit the students will be attending a Welfare incursion called ‘Being Brave’. This production gives children strategies to deal with their emotions through good communication, persistence and positive self-talk - making them more resilient.
