Dear Parents/Carers,

The canteen will be open for business on Monday 2\textsuperscript{nd} February.

Last year we introduced the Qkr smartphone app to streamline our canteen orders and to go cashless. Over 90\% of our school community has embraced this new technology for its ease and flexibility.

In 2015 all canteen lunch orders can only be submitted via Qkr. Should you not have access to a computer or smartphone please see the lovely office ladies for assistance with ordering.

The cut-off time for lunch orders submitted via Qkr is 9.00 am sharp. No orders can be accepted after this time. To make it easier for you, the Qkr app allows orders to be placed up to 2 weeks in advance. Please wait until receiving your order confirmation before closing the app to ensure the order is activated.

If you have not yet registered, Qkr is a free app for iphones and android devices. More detailed information about Qkr is on our website. Use this link to read and learn more \textcolor{blue}{http://www.beaumarisnorthps.vic.edu.au/qkr.html}

You may also access a web-based version of Qkr via \textcolor{blue}{https://qkr.mastercard.com/store/#!/home}

After registering your email address you will need to select our school and follow the prompts. For those living outside a 4 km radius from Beaumaris North Primary School please go to the search bar and enter BEAUMARISNORTHPS.

Students may continue to use cash for over the counter purchases (eg ice-creams etc) at recess and lunchtime.

We’ll miss your brown paper bag orders but hope everyone embraces this new system as it makes life easier for all.
