Dear Year 6 Parents,

For many years now Beaumaris North Year 6 students have participated in a weekly literature program designed to foster appreciation and enjoyment of reading. We are now seeking parent volunteers to assist us with this year’s program which will run from late February until early December.

**How the program operates:**

An adult leader models reading the novel to a small group of mixed ability students, initiating and promoting discussion of issues, the characters and events in the novel. Each student in the group has their own copy of the novel to follow. Our novels are very high quality and we have a wide variety of titles to choose from. Students are not expected to read aloud during the sessions.

As mentioned, we have been running this program at BNPS for many years, and our group leaders always give very positive feedback on the experience! In order for us to provide this program again in 2015, we require volunteer leaders who are willing to give up one hour a week throughout the entire school year. It is also possible to share a group taking turns on alternative weeks or in whatever way suits you both.

The 2015 sessions will be held every Tuesday from 9.00 – 10.00am in the Year 6 Learning Centre commencing Tuesday 24th February.

Prior to the program commencing, Moira Simpson would like to invite all those interested in volunteering to come along to school next **Tuesday 10th February at 9.00am** for a cuppa and an informal workshop where she will outline the philosophy of the program and how we implement it at BNPS. We will also look at the selection of novels in the program. Please sign in at the office and meet Moira in the staffroom just after 9.00am.

Please indicate below your willingness to join our program, and whether or not you can attend the introductory session and return the slip to your child’s teacher by Monday 9th February.

Many thanks,
Moira Simpson & the Year 6 Teachers
