YEAR THREE
The Arts - Music

Music is an important area of learning in the Primary Years Programme (PYP). It is a medium of expression that contributes to the total development of the child including physical, intellectual, social, aesthetic and emotional development. At Beaumaris North Primary School, music is an integral aspect of the School Curriculum providing skills, perceptions, experiences and values upon which to make informed choices. Each child is assisted to reach his/her musical potential and in doing so will experience the role of composer, responsive listener and performer.

It is our aim to provide music activities which are enjoyable, stimulating and challenging and which promote the self-confidence of the individual. The PYP teacher values imagination, creativity and original thinking and this is particularly evident in the teaching of music. BNPS also provides a co-curricular Choral Program which enriches and extends the student's musical experiences – see: www.beaumarisnorthps.vic.edu.au/extra-curricular-choir.html

At school, music lessons provide opportunities to discover a broad range of music experiences including classifying and analysing sounds, composing, exploring body music, harmonizing, listening, playing instruments, singing, notation, reading music, song writing and recording.

In Japanese lessons, Year Three students:

- Are exposed to Japanese pronunciation, intonation and body language of native speakers of Japanese.
- Read short texts, talk about daily life and adapt language that they know to new contexts.
- Begin to collect information in Japanese (for example, from modified texts).
- Have the opportunity to exchange letters with Japanese primary school children.
- Continue to develop their language skills and understand Japanese culture enjoying a variety of language/cultural activities such as language games, origami, songs, cooking and Japanese DVD’s.
- Participate in a calligraphy contest (Semester 2)
- Participate in a Japanese incursion (sushi making demonstration).

The Arts - Visual Arts

Art at BNPS is a joyful hour each week for every student. Students are given opportunities to feel free and confident to express ideas in a calm and friendly atmosphere and are encouraged to respond to the artwork of others. The Visual Arts program incorporates both art making and art appreciation in association with developing a visual arts language and supporting a unit within the programme of inquiry (PYP). Students learn to explore their creativity and imagination through a skills based visual arts program. This supports the process of art making and we give the students clear instructions on the correct use of tools, materials and techniques. Over the course of the year, students are able to experiment with a variety of media including painting, drawing, ceramics, textiles, print-making, collage, construction and visual communication. They learn to develop a visual language around art elements that is appropriate when thinking and talking about art, such as line, shape, colour and texture.

Students look at various artworks of Australian and International artists to inspire their own works. The students are encouraged to share their thoughts, observations and feelings and then have a go themselves. Artwork from a range of cultures and periods in history are also referenced.

Student work is regularly displayed both in the art room and in the entrance foyer of the school. Work is also sent home. All students need to bring a named art smock to each lesson in the art room.

Library Program

Beaumaris North Primary School students have a program rich in literature and are able to borrow books from our well-stocked Library. We focus on enjoyment, imagination and information through stories and non-fiction material. The Library program also supports and extends the Units of Inquiry being studied in each year level and provides classrooms with a variety of resources to enrich the Units.

Students are able to borrow books from the Library according to their Class/year level timetable. The Library is also open one lunchtime per week (2.00 - 2.30pm) for quiet reading, borrowing and drawing. Students are encouraged to be responsible for remembering their Library ‘Book Borrowing Day’ - it is vital that children bring their book back otherwise they cannot borrow a new book.

For information on Library Bags, please visit: www.beaumarisnorthps.vic.edu.au/library.html

Physical Education

Physical Education is an all-encompassing term, including fitness skills, Fundamental Skills Program, gymnastics, dance, recreation, health and appropriate values and knowledge. The PE lessons are planned using the Fundamental Skills Program, through Units of Inquiry and supporting the classroom Unit of Inquiry where appropriate. The PYP concepts, Attitudes and Learner Profile are referred to throughout PE lessons. Students are exposed to a wide range of sporting opportunities at Beaumaris North Primary School. In PE lessons, Year Three students:

- Continue with revision of Fundamental Motor Skills and begin to master these skills.
- Begin to explore games’ tactics and the roles and responsibilities of team players.
- Traffic Education is included in the program as a lead up to Bike Ed in Year 4
- Participate in Year 3 sport within their year level – see: www.beaumarisnorthps.vic.edu.au/specialist-programs-physical-education.html

Sports Uniform

Girls
- Polo shirt (red or green)
- Skort (green) or summer/winter pant (green)
- Sports briefs, tights/leggings (black or green) under school dress
- White socks

Boys
- Polo shirt (red or green)
- Shorts (green) or track-pant (green)
- Bottle green tracksuit pants or gabardine pants
- White Socks

NOTE:
- Runners/appropriate shoes must be worn for safety and performance.
- Hats must be worn in Term One and Term Four.
- Students must bring a drink bottle to each lesson.
- Sunscreen is available if students wish to use it.
- Children are encouraged to wear their House colours when they participate in House Sports i.e. red, blue, green or gold t-shirt and shorts according to their House colour.

Curriculum

Time Allotment

Each year level from Foundation to Year 6 receives a one hour lesson per week in The Arts – Music, The Arts - Visual Arts, Physical Education and Japanese*. A Specialist’s Timetable has been sent home – please support your child and ensure they have the appropriate items on the correct day. * Foundation - Year 2 students receive a 30 minute Japanese lesson followed by a 30 minute Library lesson.
