

We have put together a suggested list of items for parents to use as a guide as to what to order.

Every child is different and as such, only you as their parent will know what they like to wear. You will be pleased to know there are a variety of items available to cater to all tastes. So as not to confuse matters we have suggested only summer-wear items. Winter items will be available for purchase in Term 2.

Certain items which are considered part of the uniform are not stocked by the uniform shop as they are available at the large department stores – eg BigW, Kmart, Target – for much less than we are able to supply them. These items are: white socks, girls (green) boxers – the only underwear to be worn with dresses and netball skirts – school shoes (black) and runners.

Some points to make the whole process (hopefully) easier:

- It is highly recommended that you label all items of clothing. You would not believe how quickly and how often they get misplaced.
- Hats are compulsory during Terms 1 and 4.
- For the girls we have hair ties available in school fabrics.
- Refunds and/or exchanges will happily be made provided the item has not been worn, the receipt is provided, the item still has the manufacturer's tags in place and does not have your child's name written on it.
- We have a well-stocked and good quality second-hand section with prices at a quarter those of full price. You will need to come in to the shop to select these items for yourself as we do not hold or order/deliver second-hand items.
- Every year we try and take into account the vagaries of our various suppliers and cater for perceived delays in supply, only to be thwarted by a new 'hiccup'. This can be incredibly frustrating for parents (not to mention shop volunteers) but please know that we are doing our best to get items to you as rapidly as possible.
- You may find it easier to order items and have them delivered to your child's class and we are more than happy to do this. You can either email us at uniform@beaumarisnorthps.vic.edu.au making sure to include your child's class and your credit card details, or by filling out one of the order forms located near the school office and leaving it with the lovely ladies - orders will be delivered within a week.
- The Uniform Shop is run wholly by volunteers from the school community. We are open every Friday morning from 8.45 to 9.30am and are located in the Foundation breezeway. We will also open occasionally on an afternoon – watch the newsletter and Konnective message to be informed of these openings.
