8th May 2014

Dear Parents/ Guardians,

We have been skipping throughout Term 1 and Term 2 and have seen great improvements with the students skipping skills! Friday 16th May is our Jump Off Day, please collect all monies and send them to your child’s teacher or donate them online by Wednesday 14th May. Don’t forget to send in your child’s sponsorship forms.

On Friday 16th we are having an assembly to celebrate the skipping that the students have been doing. Students that have been skipping in our team over the last 8 weeks will be performing a routine and showing off their skills and some will be receiving certificates. If you would like to join us, the assembly will commence at 3:00pm.

As a part of the JRFH program we have also been discussing healthy eating and the benefits of living a healthy lifestyle. With this in mind Years One, Two and Three are holding a Healthy Eating picnic at lunchtime on the oval on Friday 16th.

Please pack a ‘nude’ healthy lunch for your child on the day. We ask that their food is ‘nude’ and doesn’t come pre-packaged. Instead please put it in a lunchbox or container.

Lastly, please have your child dress in red on Friday to show their support for the Jump Rope for Heart Foundation.

Thanks again for all of your support helping students raise money for JRFH and encouraging their skipping.

The Jump Rope for Heart Team,
Lauren Bennett, Dani Jones and Tess Durham
