Welcome to the Parents' Club of Beaumaris North Primary School

The Parents' Club enjoys a strong network of parents who manage fundraising opportunities and social activities for parents and families within our school community. The Club also manages the Uniform Shop, Head Hunters program, Class Representatives and School Banking.

We are proud supporters of the school's progression into the International Baccalaureate (IB) Primary Years Programme (PYP) and we form a vital link between parents, teachers and the leadership team.

Parent support, the stability of staff and open, friendly communication channels have been, and are, key factors in the Club's success.

The aims and objectives of the Parents' Club are:

- to contribute to the wellbeing of the school community
- to encourage the participation of all parents in the life of the school and the education of their children
- to provide opportunities for all parents of students of the school to discuss issues concerned with the welfare and the general education policy of the school and to assist in the development of a shared parent view

- to contribute to proposals on school policy and other educational issues to the school council
- to provide opportunities for parents to get to know each other and to be informed about their child's school
- to provide information for parents to extend their understanding of school issues
- to work in cooperation with the school council and the principal
- to raise funds for the benefit of the school.

The Parents' Club holds regular meetings, usually the last Monday of each month and forthcoming meeting dates are printed in the school newsletter and on our webpage.

All parents are welcome and you do not have to be a member or committee position holder to attend. As a member you will receive copies of minutes and agendas which is a great way of keeping informed if you can't come along.
