STATEMENT OF COMMITMENT TO CHILD SAFETY

Beaumaris North Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

Specific staff child safety responsibilities

Beaumaris North Primary School has nominated a Child Safety Officer to support the Principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the Child Safety Officer are outlined at [Guidance for child safety champions](#). In addition to these roles, our Child Safety Officer is also responsible for:

- gaining student voice and feedback regarding how we can keep students at our school safe

Our Principal Class Officers and Child Safety Officer are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The Principal is responsible for monitoring the school's compliance with the Child Safety and Wellbeing Policy. Anyone in our school community should approach The Child Safety Officer if they have any concerns about the school's compliance with the Child Safety and Wellbeing Policy.
- The Principal is responsible for informing the school community about this policy, and making it publicly available
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

Our school has also established a Child Safety and Wellbeing Team and a Student Reference Group on child safety. The Child Safety and Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group provides an opportunity for students to provide input into school strategies.

Our Risk Management Committee monitors the Child Safety Risk Register.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct [Child-Safe-Code-of-Conduct.pdf \(beaumarisnorthps.vic.edu.au\)](#) also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

At Beaumaris North Primary School, we promote child safety in physical and online environments by:

- supervising students properly in all settings (e.g. playground, excursions and camps)
- giving particular attention to the safety, diverse needs and vulnerabilities of students and consider barriers that might prevent students from raising concerns
- using the eSmart Framework and e-Safety Commissioner resources to promote smart, safe and responsible use of digital technologies
- promoting a cyber safe community through participation in the 'Cyber Safe Project' which empowers young Australians to self-manage their digital safety and wellbeing through proactive education ([Home - Cyber Safety Project](#))
- informing students and their families about appropriate use of the school's technology, safety tools and how to seek help and report concerns including cyberbullying and online grooming
- a consistent approach to behaviour through our Whole School Behaviour Management Response
- participating in the National Day of Action against Bullying and Violence to raise awareness to prevent bullying and violence.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Beaumaris North Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Strong links between the Aboriginal culture, values and practices through our PYP Units of Inquiry.
- We begin assemblies with a Welcome to Country or an Acknowledgement of Country.
- We have displayed the Aboriginal and Torres Strait Islander flags on school grounds.
- Acknowledge significant events relevant to the Aboriginal culture e.g. National Reconciliation Week, NAIDOC Week.
- Acknowledge and draw on the existing knowledge of Aboriginal students and their families.
- Ask for feedback from Aboriginal students and their families about what the school does well, and what can be improved.
- A zero tolerance to racism as outlined in our Whole School Response to Behaviour Management and our Student Engagement and Wellbeing Policy.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Beaumaris North Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through the PYP IBO Learner Profile Attributes [Primary Years](#)

[Programme \(PYP\) – BNPS \(beaumarisnorthps.vic.edu.au\)](https://beaumarisnorthps.vic.edu.au); The Resilience Project Curriculum; Respectful Relationships Curriculum.

At Beaumaris North Primary School, we inform students of their rights through:

- our whole school approach to Respectful Relationships
- part of our whole school Behaviour Management response and clear expectations of behaviours we expect of our students (Be Kind, Be Inclusive, Be Respectful)
- we have PROTECT posters displayed in classrooms and all communal areas
- our Wellbeing Week at the beginning of the year focuses on 'Respect' and a clear understanding of what it looks like, sounds like and feels like,

and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at the school office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

We have a 'Body Safety' themed Wellbeing Week. During this week, we ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. We identify for students if they have any worries or concerns, who they may talk to (class teacher, previous teacher, specialist teacher, child safety officer etc.). We give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. Students and families can also access information on how to report concerns at School Reception.

We provide whole school event days (e.g. Cyber Safety Week, Wellbeing Weeks, Body Safety, National Day of Action against Violence and Bullying) to empower students to be proactive and protective of their personal safety.

We display posters in our school entrance which celebrate gender diversity. We encourage students to establish protective factors, by discussing with students what to do when they feel unsafe and pathways for raising safety concerns.

We provide opportunity for Student Voice across the school through Year 6 Leadership Roles, Student Agency Team (SAT), Student Led Assemblies and Student Led Conferences. In the Year 5 and 6 classes, we empower students to raise their concerns through providing an anonymous, student 'reflection box'. We provide regular online surveys for our students e.g. The Resilience Youth Survey and Respectful Relationships.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Beaumaris North Primary School we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- engaging and openly communicating with families and the school community about its child safe approach
- notifying the school community who the Child Safety Officers are twice a year and how best to contact them regarding any concerns they may have
- presenting policies to School Council for feedback and approval
- notifying families of where they can access our Child Safety policies
- all of our child safety policies and procedures will be available for students and parents at ([Policies – BNPS \(beaumarisnorthps.vic.edu.au\)](https://beaumarisnorthps.vic.edu.au))

- school newsletters and Compass will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety
- PROTECT Child Safety posters will be displayed across the school.

DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people

At Beaumaris North Primary School, we recognise the diverse backgrounds, needs and circumstances of students. This involves cultural safety for the needs of students with disability and responses to disability, the needs of students from diverse religious and cultural communities, gender differences. Discrimination and bullying are not tolerated, and if incidents occur they will be addressed in line with our Whole School Behaviour Management Response and our Bullying Prevention Policy.

Beaumaris North Primary School recognises dates that connect with our community, these are often driven by our Student Agency Team or School Wellbeing Captains.

 - the person’s history of working with children

Ongoing supervision and management of staff

All staff engaged in child-connected work will be supervised appropriately to ensure that their behaviour towards children is safe and appropriate.

Staff will be monitored and assessed to ensure their continuing suitability for child-connected work. This will be done by performance reviews and staff feedback, as we work in a collaborative, team-teaching environment.

Inappropriate behaviour towards children and young people will be managed swiftly and in accordance with our school and department policies and our legal obligations. Child safety and wellbeing will be paramount.

Suitability of volunteers

All volunteers are required to comply with our Volunteers Policy ([Policies – BNPS \(beaumarisnorthps.vic.edu.au\)](https://www.beaumarisnorthps.vic.edu.au/Policies-BNPS)), which describes how we assess the suitability of prospective volunteers and outlines expectations in relation to child safety and wellbeing induction and training, and supervision and management.

CHILD SAFETY KNOWLEDGE, SKILLS AND AWARENESS

Ongoing training and education are essential to ensuring that staff understand their roles and responsibilities and develop their capacity to effectively address child safety and wellbeing matters.

In addition to the child safety and wellbeing induction, our staff will participate in a range of training and professional learning to equip them with the skills and knowledge necessary to maintain a child safe environment.

Staff child safety and wellbeing training will be delivered at least annually and will include guidance on:

Training includes guidance on:

- individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse
- child safety and wellbeing risks in our school environment
- Beaumaris North Primary School child safety and wellbeing policies, procedures, codes and practices

COMPLAINTS AND REPORTING PROCESSES

Beaumaris North Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy. The Complaints Policy can be found at [Policies – BNPS \(beaumarisnorthps.vic.edu.au\)](https://www.beaumarisnorthps.vic.edu.au/policies).

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures [Policies – BNPS \(beaumarisnorthps.vic.edu.au\)](https://www.beaumarisnorthps.vic.edu.au/policies). Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending

Our Student Wellbeing and Engagement Policy and Bullying Prevention Policy [Policies – BNPS \(beaumarisnorthps.vic.edu.au\)](https://www.beaumarisnorthps.vic.edu.au/policies) cover complaints and concerns relating to student physical violence or other harmful behaviours.
