Inclusion and Diversity

Beaumaris North Primary School strives to provide a safe, inclusive, and supportive school environment which values the human rights of all students and staff.

Beaumaris North Primary School has a rich history of inclusion and diversity throughout the school programs and PYP Units of Inquiry. There is a great deal of focus on Indigenous Culture through the Art Installation program which aims at creating pieces of Indigenous inspired art to display around the school grounds. The students represent a diverse group of different year levels working collaboratively together in the creation of the final product.

Beaumaris North Primary School is committed to creating a school community where all members of our school community are welcomed, accepted, and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability, or sexual orientation so that they can participate, achieve, and thrive at school.

Beaumaris North Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Beaumaris North Primary School, we value the human rights of every student, and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Beaumaris North Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (e.g. school sports, concerts as well as school assemblies and celebrations) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities, and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement, and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

At Beaumaris North Primary School, we are committed to fostering an inclusive and diverse environment that celebrates the uniqueness of every individual within our school community. This policy outlines our dedication to creating a culture of respect, understanding, and appreciation for differences, and highlights specific programs and initiatives that contribute to this commitment.

We acknowledge and celebrate the rich diversity within our school community. Our commitment is rooted in creating an environment that values and respects the unique backgrounds, experiences, and perspectives of all individuals, including students, staff, and parents.

We are proud to be an advocate for the Safe Schools Guide, ensuring that our school is a safe and inclusive space for everyone. This guide serves as a foundation for our commitment to creating an environment free from discrimination and harassment.

As a Resilience Project school for close to ten years, we actively promote the development of emotional resilience and positive mental health within our community. Our engagement with the Resilience Project reflects our dedication to fostering a supportive atmosphere for all individuals.

Our staff is actively involved in implementing the Respectful Relationships Program. This initiative provides a safe and inclusive framework that focuses on cultivating a common language within our school community. By fostering respectful relationships, we aim to create an environment where every individual feels valued and heard.

As part of our commitment to inclusivity, we annually celebrate Neurodiversity Week. This event serves to highlight and normalise the differences in the world, showcasing how we embrace the unique strengths and challenges of everyone within our school community.

We recognise that promoting inclusion and diversity is an ongoing process. We are dedicated to regularly reviewing and updating our policies and programs to ensure that they reflect the evolving needs of our school community.

At Beaumaris North Primary School, we believe that an inclusive and diverse environment is essential for the holistic development of our students. By embracing and celebrating our differences, we aim to create a school community that values every individual and promotes a sense of belonging for all.

Bullying, unlawful discrimination, harassment, vilification, and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Beaumaris North Primary School. We are committed to maintaining a safe and inclusive environment for all members of our school community.

We will take prompt and appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to address instances where students demonstrate behaviours that go against our commitment to inclusion and diversity. These measures may include disciplinary actions, education, support pathways for appropriate counselling, or other interventions as deemed necessary.

Students who may have experienced or witnessed inappropriate behaviour are strongly encouraged to speak up. We foster an environment where students feel comfortable reporting incidents to their teachers, parents, or carers. Reporting is essential to ensure that inappropriate behaviour is promptly addressed, and the wellbeing of all students is safeguarded.

Through the practice of Restorative Practice, we provide students with the opportunity to engage in open and constructive discussions about challenging situations. This approach allows individuals involved to express their feelings, thoughts, and perspectives. It also promotes empathy and understanding by allowing all sides of the situation to be heard.

Students engaged in bullying or harassment based on personal attributes will be supported to understand the impact of their behaviour. Our school is committed to fostering a learning environment that promotes empathy, understanding, and personal growth. We aim to educate and guide students involved in inappropriate behaviour to help them develop positive relationships and contribute positively to the school community.

We will implement education and prevention programs to proactively address issues related to bullying, discrimination, harassment, and inappropriate behaviour. These programs will be designed to promote understanding, respect, and empathy among students, fostering a culture of inclusivity and acceptance.

We are dedicated to the continuous review and improvement of our policies and practices related to bullying and inappropriate behaviour. This commitment ensures that our approach remains responsive to the evolving needs of our school community and aligns with best practices in promoting inclusion and diversity.

Beaumaris North Primary School is committed to compliance with all relevant legal requirements pertaining to inclusion and diversity in Victoria, Australia. This policy is designed to uphold the principles and regulations set forth in local, state, and federal legislation, including but not limited to the Victorian Equal Opportunity Act and the Disability Discrimination Act.

The school has established a comprehensive structure and process to ensure compliance with legal requirements related to inclusion and diversity. This includes designated personnel responsible for overseeing and implementing the inclusion policy, conducting regular assessments to identify potential gaps, and collaborating with relevant stakeholders to address any issues that may arise.

All members of the school community, including students, staff, parents, and carers, have both rights and responsibilities outlined in the *Inclusion and Diversity Policy*. These rights encompass the expectation of fair and equitable treatment, freedom from discrimination, and access to a supportive and inclusive learning environment. Simultaneously, responsibilities include promoting a culture of respect, reporting incidents of discrimination or harassment, and actively participating in initiatives that contribute to the school's inclusive vision.

Beaumaris North Primary School envisions the continuation of implementation of inclusive International Baccalaureate (IB) programs that reflect the diverse needs and strengths of our student body. Our commitment to inclusion extends beyond legal compliance to fostering an educational environment where all students have equitable access to a challenging and enriching curriculum. We aim to create a learning community that values diversity, promotes cultural understanding, and embraces the inclusive education model that allows all individuals to be who they are and co-exist in a respectful and understanding community.

Reasonable adjustments for students with disabilities

Beaumaris North Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to the *Student Wellbeing and Engagement* policy or contact Sheridan Duffy-Fainu'u, Disability Inclusion Co-Ordinator, by phone on 9589 5449 or by email directed to beaumaris.north.ps@education.vic.gov.au for further information.
